StreamNovo

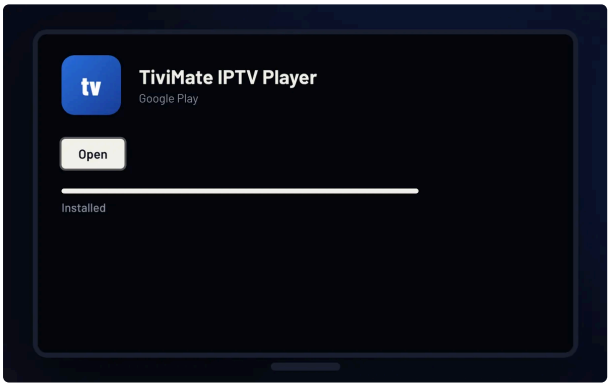

SETUP GUIDE · TIVIMATE · ANDROID TV AND GOOGLE TV

SET UP TIVIMATE ON ANDROID TV AND GOOGLE TV

3 steps · about 5 minutes

Before you start

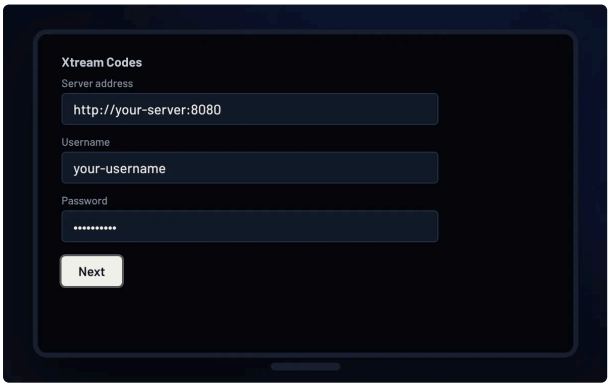

- Your StreamNovo login: **server URL, username and password**, or your M3U link
- Your Android TV and Google TV, connected to the internet
- About 5 minutes

Step 1 of 3

Install TiviMate

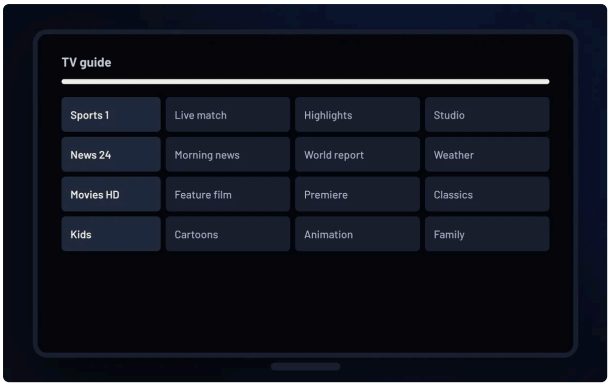

Open **Google Play** on your TV, search for **TiviMate**, select **Install**, then **Open**. No extra app needed.

Step 2 of 3

Add your StreamNovo login

Choose **Add playlist › Xtream Codes**, then enter the **server address, username and password** from your email.

Step 3 of 3

Start watching

Your channels and TV guide load in a minute or two.

Good to know

- On Android TV and Google TV, TiviMate installs straight from Google Play. No Downloader, no developer settings.
